By now I am sure that you are aware of the passing of our Dear Friend and fellow Kiwanian: *Mr. Scott Shookman*

Several weeks ago Scott was awarded the " Zeller Award " at a Kiwanis meeting. Charlie Kepnes who presented the award definitely did his research on Mr. Shookman prior to presenting the award.

In speaking with family, friends, people in the community and fellow Kiwanians the same words were repeated by all:

" Scott loved family, friends and Community. He went out of his way to help people and joined with a smile each task he took on. He secured awards for people with in the Manchester School District that didn't even know they were receiving the award. And why because he believed in what they were doing.

When Scott took on a project within the Kiwanis or anywhere he put everything he had into that project and more. His projects within Kiwanis became Family traditions such as Santa Delivery and Rose Day.

You will be greatly missed by all. And our thoughts and prayers go out to the entire family. May peace be with all of you as you go through life with this wonderful guardian angel watching over you.

Annual Easter Egg Hunt @ Tudor House

With the ground covered in snow, and flakes falling on a daily basis it is kind of hard to believe but yes:

SPRING IS RIGHT AROUND THE CORNER

And we all know what that means. Crisp mornings, birds singing and green grass. In addition to that there is the Annual Portage Lakes Kiwanis " Eater Egg Hunt " this long standing tradition each year has brought many smiles to the faces of the children in our area.

This event complete with concession stand, balloon pop, fire trucks, games, tatoo's, face painting and more will once again take place at the " Tudor House " located in New Franklin, Ohio.

Mark your calendars now so you and the kids do not miss this out hunting for eggs with other kids in their specific age group. Please watch our Facebook page and website @ www.plkiwanis.org for more information as the date gets closer.
