GUEST SPEAKER

Our Guest Speaker for this evening was: **MR. JEFF HOUCK - HARBOR LIGHT HOSPICE** - Jeff spoke on the “Myths of Hospice.” Jeff gave a very informative presentation. Hospice started in England in the 60’s and came to the United States in the late 80’s. Not only do they provide for the patient but they are there for the families as well. He informed us of the different levels of care. Hospice also provides many of the necessary compnents such as beds, wheelchairs, medications, ect. that are necessary for the patient to be comfortable at home. They also have a toll free number for members of the patients family to call when they have questions. There were many questions asked and he cleared up a lot of the misconceptions about hospice that many of us had. Our club and it’s member really appreciate him taking time from his day to come and speak with us.
