2013 Easter Egg Hunt

The 2013 Easter Egg Hunt at the Tudor House in New Franklin couldn't have happened on a more beautiful day this year. The sun was shining and there were kids and family's everywhere.

Between Kiwanis Members and their families, Members of Coventry & Manchester Key Clubs there were an estimated 7,000 eggs laid out over the grounds of the Tudor House.

Our announcer for the day Mr. Tim Peterson set up his table in order to announce what was happening through out the morning such as the Balloon Pop, the arrival of the Fire Trucks and K-9 dogs. And to play music the children would enjoy for the holiday. Mr. Chuck Seeley was the Member who announced the start of the individual Egg Hunts. And spoke with a representative of GASP .

Members of the GASP organization provided Free Kid Identity Kits to 79 children and their families. And advised that with

the way children grow and change in their younger years you should have a new Identity Kit done each year.

Mike Ohl was manning the Camp Y Noah Bounce house where children were lined up to get a few minutes to bounce inside.

The concession stand was running full force with Hot Chocolate, Coffee, Water, Juice Boxes and Donuts.

New Franklin Fire Department came with a fire truck which the children adored and climbed in and out of with the assistance of two Firemen.

Brian Cutlip & Mike Jones from the Summit County Sheriff's department were in attendance with their K-9 Dogs. Which the children were able to pet and get to know .

There were many prizes

handed out for the Balloon Pop and Egg Hunt

Portage Lakes members of the Young Children Priority One Committee Sue Harding & Phil Pinnow handed out CHAD stickers to families.

And Larry Hunter (Chairmen of Pirate on the Lakes Committee) & Jeff Goodwin (President Elect) were on hand to tell everyone about our next event Pirate Days 3rd annual " Kids Treasure Hunt " .

We estimate that there were approximately 700 - 800 people in attendance.

To see pictures of this event please visit us on Facebook.

We certainly enjoyed hosting this event and hope to see everyone next year.

PROJECT ELIMINATE

We are 6 months into this 5 year project and have raised to date approximately \$ 700.00. Collecting change in baby bottles was a great idea. And we have many members who are participating by turning in bottles at an accelerated rate.

Committee Members for Young Children / Priority One had a bottle set on their table at the Easter Egg Hunt and did receive donations from several of the people who live in the community.

What a wonderful thing it was to see them helping out. Each year 60,000 innocent babies and 30,000 mothers die of this deadly disease.

It only takes a minute to reach in your pocket, your purse or in your car. Grab that change and drop it in the bottle. Every \$ 1.60 that is dropped in a baby bottle will save the life of a mother and her unborn child.

We will be dedicating our **April 24th, 2013** meeting to the "Skip a Meal Project" for Kiwanis International.

The meal on this evening will be provided by our own Vicki Kepnes and will include a variety of Italian Dishes. The cost per person is \$ 10.00 and all proceeds will be donated to the "Skip A Meal Project". Bring your wife, daughter, son, grandchild or a friend and help raise money for this wonderful project.

This meeting was held in Columbus Ohio and attended by Jeff Goodwin, Jon Freeman and Cass Freeman. Key speaker for the day was "Alan Pen - a Past President for Kiwanis International. There were several group discussions / workshops that the three could attend. Cass & Jon Freeman attended several such as 1st Lady's Project where the work shop told how the money raised was donated. Part goes to Pediatric Trauma and part is Donated to the Eliminate Project. Suggestions were given that we could try to Partner up with a local Hospital "Akron General" to see what we could do to help them. Get involved with the local Church.

And depending on the project there are Grants that can be applied for in order to help fund them.

There was an Interclubbing for fun with Local Action Club or Circle K. Encourage these members to follow thru into a Kiwanis group after graduation. And this also falls under the Membership workshop that Jeff Goodwin attended.

As well as some discussion about starting new clubs in our local area.

GUEST SPEAKER

As most of us are aware the New "Health Care Reform" act will be going into effect on January 1st, 2014.

Though we know it is going into effect how many of us actually understand what these changes will mean for individuals as well as Business owners?

Tonight's guest Speaker was **Crystal Cianciola** from **CornerStone Benefit Services, LLC**.

For business owners a full time employee will now be considered anyone working 25 hours or more and they must be offered insurance. They can opt not to take it and it is best to have them sign a waiver should they choose this option.

There are also new laws going into effect for the following such as Pre existing conditions, Preventative care, Young adult coverage and more.

In addition there will be rates for an individual who is supporting a family but can not afford Health Insurance. These individuals will need to fill out applications and provide the necessary documentation to prove that they fall in the 400% below the poverty level.

We must all check the rates before making any decisions make sure that the policy fits your family needs and check all avenues to secure you are getting the right protection.

Buying your insurance on an exchange may be a cheaper route and may not. It is something else that will need to be .

investigated

This does have a lot of people confused and in the days to follow even more confusion may incur.

Crystal suggests that we all seek the advice of a Broker. Such as herself these individuals will help to ensure that you understand what is available to you, what the correct plans is for you and your family.

There is no extra cost for you and your family to seek the advice of a Broker. Just a complete understanding that they are there to help you understand what benefits your are getting and why.

Our sincere Thanks to Ms. Cianciola for taking her time to speak with us this evening.

PLK Advisor's - Jon & Cass Freeman

Kiwanis is all about " Helping one Child , One Community at a time " So to keep in line with that let's make sure that at least once a day you share a kind word with a child. You would be amazed at how big of a smile this can put on a child's face. And how it will warm your heart to see them smiling:

" I just wanted to let you know how special you are! "

Did you make someone smile today?
