## Potential New Kiwanis Project

In the past week or so there have been a lot of comments and suggestions in regards to the:

### “ Monopoly Game Fund Raiser “

that I am suggesting we take on as a new project.

As stated in last weeks meeting there would be no out of pocket expense to the Kiwanis Club.

The project would be a one time Fund Raiser. By selling the properties and other items it will basically fund it's self and bring money into the club for whatever Community Project we are donating to or helping support.

The support for the project has been great. Several local business's have been visited and they are willing to participate.

There has even been individuals who would like to participate.

The idea for this fund raiser is to put local area business's with history in the Portage Lakes Area on a game board.

We are encouraging individuals to participate also. Purchase a property for your family name and be a part of what we would like to consider a wonderful part of Portage Lakes History. Prior to the vote there will be a brief discussion and

review to go over the benefits of the game. And to make sure that everyone has a clear understanding of what we are planning on doing. Feel free to ask questions.

Please plan on attending:

## GUEST SPEAKER

This evening our Guest Speaker was Mr. Mark Shoup from the “ Portage Lakes Rowing Association “. This association in the Portage Lakes area was founded in 2005. they have members of all calibers - from experienced to beginners. And offer competitive rowing to beginning rowing classes.

They also have a fleet of rowing boats such as five - 8's and two - 4's that are used for weep rowing, along with a single scull, a sculling quad and a sculling double . Many members have their own single rowing boats.

As well as the competition rowing offers many benefits to help and exercises all the muscles in the body. It is good for joints health and flexibility, is great for cardiovascular workout as well as relieving stress.

Mr. Shoup provided a booklet with the different rowing boats and explained how you row in each one. As well as the different types of races that you can participate in.

They will be starting up an New Beginners - Introduction to Rowing class on May 5th @ Noon at the Oar house located at Craftsman Park. If you would like more information please contact them at [www.portagelakesrowing.com](http://www.portagelakesrowing.com) or by phone at 330 - 333 - 2769.

Our sincere Thanks to Mr. Shoup for joining us this evening and sharing with us about his club.

**MHS Girls Softball Team**

The Manchester High School Girls Softball Team Boosters are currently in the middle of a fund raising project. The girls are in need of redoing the dug outs at the softball field, new equipment, fencing and misc. other items. This year they took on the task of selling banners. These banners have helped to replace the fencing on the home run line and around part of the elementary school playground. Right now the banners are 2' x 4'. And sell for a moderate price whether you would like the banner to hang for 1 year or 2 years. Portage Lakes Kiwanis recently purchased a banner to help support the girls and the things they are trying to do. It should be hanging up in the coming week. If you are interested in providing some support for the girls what a better way than to purchase a banner. Please contact : Lena Zwick @ tlh3@aol.com or at 330 - 605 - 4877
