GUEST SPEAKER

This weeks Guest speaker was **SYLVIA JOHNSON** Director of Hower House at Akron Universit. Though she resides in the Portage Lakes area Mrs. Johnson has been director of Hower House for the past 25 years. She shared a lot of history about the Hower Family and it's members. Along with the businesses that they were involved in such as they had a cereal business, Akron Selle. The house which is the oldest home on the University campus is located on Fir Hill and was built in 1862. When originally built it had no electric or running water, These modern day conveniences were added sometime later. As well as a garage that is closer to the home. The inerior of the home has not changed since it was built. The woodwork inside the home is all Black Walnut. The house was donated in 1973 to Akron University when Grace Hower passed away. Mrs. Johnson is now in the process of tracing the Hower Family to Portage Lakes. Through research she has located 40 acres of land and Hower lake which is outside West Resevior and was owned by the Hower Family, Harvey Yoner Hower had a house built on this land in 1910.

Anyone who hasn't done so should make plans to take a tour of the Hower House located on Fir Hill. It is a sight to behold.

Many Thanks to you Mrs. Johnson for sharing this information with us.
