Each year Portage Lakes Kiwanis Scholarship Committee reads through a number of applications from Senior's at Manchester, Coventry and Green High Schools.

Though this is a long drawn out process they take pleasure in reading what accomplishment's as well as what plans these Graduating Seniors have for their lives.

Then the challenge begins – Which Senior's do you choose?

Tonight we had the pleasure of welcoming the " 2014 Scholarship Recipients " and their families and friends. In front of our club members and their families the following Graduating Seniors from various local

schools received their awards:

Project Eliminate is a 5 year project that Portage Lakes Kiwanis is dedicated to raising money for.

Project Eliminate was created to raise funds for Neo Natal Tetanus Shots in Third World Countries.

Tetanus is an excruciating disease that kills one newborn every nine minutes, or approximately 160 babies each day. Typically contracted through unhygienic childbirth practices, the disease is swift, cruel and lethal.

So Kiwanis International and UNICEF have band together to raise money for the elimination of

this disease. For each \$ 1.60 that is raised 3 mothers and their unborn children can be saved.

To date Portage Lakes Kiwanis has raised \$ _____ towards this cause. Currently our goal is to reach \$ 2,000.00 before the end of the year.

Mr. Dale Dietz current President Elect for Portage Lakes Kiwanis is spear heading this project with the " Baby Bottle Fund Raiser. "

It's simple get your baby bottle from Dale and everytime you have loose change drop it in the bottle. Once your bottle is full return it to Dale and get an empty one.

As we all know a lot of times our change gets dropped on the ground, left in our cars, or on top of our dressers so why not change someone's life by simply dropping your change into the baby bottle. Remember \$ 1.60 will save one woman and all her unborn children.

Dale is also looking for a new Fund Raiser to hopefully raise even more money for this worthy cause. If you have any ideas please contact Dale Dietz directly.
