HAPPY DOLLARS 😊

LARRY HUNTER had 3 happy dollars: #1 for the successful Buckeye MartinFest Sunday with about 80 people participating; #2 that the Pre-Migratory Boat Ride Fundraiser on Nimisila Reservoir will last 30 days in fall and are already contacting 150 on waiting list from last year; #3 for the 66 bluegill caught on Monday's fishing. **TOM BURGE** had another Long Lake wildlife tale to share that while going out to get paper early in morning he spotted a pretty little doe standing under 2 mulberry trees quietly staring back at him; then she continued eating mulberries and wagging her tail! Not only did he enjoy this beautiful scene once, but twice in the same week!

SCOTT SHOOKMAN was happy to report seeing Joe and Ann Lou Klope while in New England; Ann Lou had just been released from hospice after 24 months and doing as well as can be expected; Joe has lost 100 lbs, says hello to all and really enjoys the "Joe Klope stories!"

RUSS FRIESS found a gem of a leaf blower in the Plain Dealer tools & machines classifieds, any reasonable offer.

SUE HARDING was happy to see **GLENN BREITENSTINE** back from sunny Florida and then shared a couple of **JOE KLOPE** stories to brighten our evening.
