SUMMER RE-CAP

Summers in Portage Lakes are always exciting and fun filled for the entire family.

This year was no exception. From the music at the different Lakes establishments: Like Aquarius Rising to the Buck Naked Band on Fourth of July weekend.

Followed by the **Dragon Dream Team Festival on July 13th**. What an experience that was—huge pink dragon boats racing everywhere at the **State Park Swim Beach**. Some of the teams traveled from other states to participate. There were very experienced rowers to semi experienced ,to teams that had never rowed until the day of the race. And even some of the locals put together a team's like the **Upper Deck and Dano's**. An extremely exciting day for all involved. As well as the spectators.

And all this was followed by **Pirates weekend**. That's right the **3rd annual Reverse Raffle/ Silent Auction** took place at Prime 93 on July 19th, 2013. The evening was filled with Grub and Drink as well as the Reverse Raffle, Silent Auction, Chinese Auction, Balloon Pop. There were approximately 136 people in attendance. Some in pirate costumes and some in street clothes. But it was a sure thing that the pirates had taken over the Lakes area.

Though the weather on Saturday was a little dreary and we had some rain, July 20th started off with a bang and breakfast of Coffee, Blueberry Pancakes,

Chocolate Chip Pancakes, ham, juice and coffee all prepared by the **Goodyear Boat & Yacht Club Pirates**. About 57 locals showed up and ate. From what I hear these Goodyear Pirates are already planning for next year.

The **PNC Treasure Hunt** was later in the afternoon. Pirates of all ages attended. The Walk the Plank station was manned by the Seadogs and the Secret Sisters helped with the kids in more ways than we can count. In addition to running the Kids Pirate Costume Contest. We also added several vendors this year. **Kerri Miller Gleisinger** from **Kerri's Confections** who had an assortment of goodies like Cake Shooters and breads of all sorts. You can find Kerri at Hartville Market Place. **Diane**—Sassy Dog who had hot dogs , kraut dogs and sausage. And Elaine with her group of ROTC pirates from Green High School with chips and drinks and more.

And **Cheryl Luck** from the **Library** was at another table with book markers, pencils that changed color. Plus a list of events that will be going on at the library.

The pirates on Treasure Island were in full force this year with their super soaker's ready and aimed to defend their island. They also were prepared to make balloon swords for all the kids who road the boat to the island.

The evening was followed up with a **Hotdog Eating**

Contest at the **Upper Deck** where I am told the winner was able to eat 9 hotdogs with bun in 5 minutes. Kudos to him and all the other contestants.

The dunk tank also provided by the Upper Deck was a huge success . Seriously what could be more fun than dunk people. Several **Kiwanians** like **Tim Peterson** and **Dale Dietz** took their turns being dunked. As well as **Sheila Wright** of the Secret Sister and several of the **Upper Deck employee's**.

Friday and Saturday's events were followed by the **Dragon Dream Team** boat rides in their beautiful rowing boats. With **Diane Baldrige** and her crew from the Life Jacket exchange program.

Diane has provided a wonderful program for the past two years at the Treasre Hunt. You bring your child with a gently used or new life jacket to the Swim Beach area and she will exchange the life jacket for a new one that fits your child and keeps them safe for summer boating events with family and friends.

Thanks to Diane and her crew all the kids who took the boat ride on Saturday to Treasure Island and the Dragon Dream Team rides on Sunday the children were safely fitted into vests for the rides.

We are definitely looking forward to next year's events.

ANNUAL PORTAGE LAKES “ KIWANIS FISH FRY “

This year Larry Hunter has worked really hard catching the fish for the Fish Fry. On occasion he has had fellow Kiwanian's Chuck Seeley and Al Grzeschik helping. As well as Jonathan Zito. They are almost to the point of having all the fish needed for this wonderful dinner which will be held on September 4th, 2013 @ the Civic Center. Gather your family and neighbors and join us for dinner, fellowship and our Special Guest Speaker. Please contact either Tom Burge or another Kiwanian to purchase your tickets.

ON GOING PROJECTS

PROJECT ELIMINATE: We are still continuing to collect change for this world wide on going project. To date we are two years in to a 5 year project. Portage Lakes Kiwanis joined the crusade last year and have collect approximately \$ 700.00 in change towards our \$ 1,000.00 goal. We adapted the Baby Bottle project. Many kiwanians have taken bottles home and collected change from their cars, bottoms of purses, and several other places. Though we continue to use the smaller size baby bottles. Though we also decided to use Very Large Baby Bottle Banks and many of the local area business's such as Akron Coin & Jewelry have placed these on their counters in the hopes that individuals who purchase something will drop their change into the bottle.

This fund raiser was put into place to collect money and help fight **Neonatal Tetanus** in lower income communities in Third World Countries. The women and children in these communities (as well as other people living in the area's) live in extremely unhealthy and un sanitary conditions. They do not have the simple comfort as we do of drinking clean drinking water.

Everytime **\$ 1.60 in change** is dropped into a bottle we are purchasing a tetanus shot for one mother in these Third World Countries. Not only are we saving that mother we are also saving and protecting her unborn children now and any she may have in the future.

Can you even imagine your child hurting so badly that you are unable to comfort them or even touch them. Without this tetanus shot it is a chance each of these woman take everytime they become pregnant. So for the next several years let's all dig deep into our pockets and purses and change jars and drop a few quarters, dimes, nickels and pennies into a jar. Even helping one mother will be a terrific help.

For more information or to obtain your baby bottle (of any size) please contact either **Vicki Kepnes or Jeff Goodwin.**

There will be 350 games printed and approximately 300 will be for sale sometime in mid September. The games will be sold at a cost of \$ 25.00. In the weeks to come we will have more updates on when and where you will be able to purchase games.

Supporting Local Children

Just as a reminder the Local Schools are about to be back in session. Leave a few minutes early for work, or whatever you may have in store for your morning and afternoon's.

Take that extra minute to watch for children either walking to school or walking to the bus stop.

School buses will be back on the roads full of children so please keep your eye's open. We as adults are the key to their safety to and from school.
