We have been offered the opportunity to work the concession stand along with the R.O.T.C. group.

We would be selling Cider, Hot Chocolate, Coffee and doughnuts. We would appreciate support from the club on this project as all proceeds will go directly to Portage Lakes Kiwanis.

I would like to see the proceeds for this event be collected and placed into a fund to help subsidize the dues for members. The qualifications for these monies being applied to a specific member can be determined at a later date.

MONTHLY GUEST SPEAKER

Our guest speaker for this month was:

Mr. Gene Grabiec (Pro Golfer) and Director of Premier Scouting Services LLC. Mr Grabiec works at finding young athletes scholarships in order to continue their education after high school.

The company itself was originally founded in 1997. They have over 13 years of experience in supplying college coaches an accurate and reliable third party student/athlete analysis.

Their designed high tech direct e-mailing of your son / daughter's profile and promotional video to colleges will give you the maximum possible exposure to every applicable college coach in the country.

In short these coaches will know who and where you are along with how to contact you.

The question to each parent and coach is which would you prefer for your athlete son or daughter One choice or Ten choices of educational and athletic programs?

Premier Scouting has developed an easy to understand system. They also have a knowledgeable staff available to guide your son /daughter guidance through the many
