DATES TO REMEMBER

By: Frank Smith

I would like to Thank all of you for the help and support you have given me during my 3 year term as president of the Portage Lakes Kiwanis Club. It has been a great experience working with all of you. One I will never forget. As many of you know I accepted the position on a short term 2 – 3 months until we were able to find someone to fill the position as Club President. Before long that 2 – 3 months turned into 3 years of serving you and the club as President. 3 years which I enjoyed every minute of .

Through the hard work of many members the club has grown financially. The member's have all worked hard at creating new fund raisers , reviving struggling fund raisers to make them profitable again and organizing a meal program which is now profitable for our club. These are just a few things the members have done to make the Portage Lakes Kiwanis what it is today. Members that work hard and have fun.

Again I Thank you for the opportunity to have served as your club president.

Respectfully, Frank Smith

By Alfred Grzeschik

I have been an active member of Portage Lakes Kiwanis for 16 years.

I am looking forward to my duties as President of the Portage Lakes Kiwanis for the 2013 year.

Also I would like to Thank Mr. Frank Smith for the fine job he has done for the past 2 plus years as our Club President.

I look forward to working closely with Jeff Goodwin at the future and Growth of our club. Several things that we will be looking at are – possible help with dues, and the club becoming active in our community with such possible projects as a Habitat for Humanity House, helping the elderly and disabled with home projects (yard clean up & maintenance, ect.)

Portage Lakes Kiwanis has a very rich heritage and I am very proud to be a part of this organization. I would like to see some of the member we don't see often come back to the club as active members

In closing I would like to Thank all of you for the opportunity to serve this club as President. Please know that my door is always open for new idea's , projects or anything that will better our club.

Sincerely, Alfred Grzeschik
