SPEAKER

Our speaker for the evening was Tammy Raess, who has started a project called "Tammy's Totes". This project started with a comment Tammy made when her home was totally destroyed by a gas grill fire. Her comments Made when she was given a basket with supplies that had everything she needed when they were left with nothing, inspired her to want no one else to have the same experience that they did. They provide to fire stations a tote bag with all essential items to help immediately after a fire. She is in the process of setting up a nonprofit business. What an inspiring story and a warning to all about Propane Gas Grills. To help and volunteer in this project please call Tammy at 330-649-9340
