SANTA DELIVERY

As Christmas Eve has passed and we are proud to announce that Santa Delivery was a total success. This event brought smiles and laughter to the faces of many children and their parents. The letter above is just one example.

The first sleigh pulled out of the Civic Center at approximately 5 pm and the remaining 15 sleighs followed shortly after. Santa delivered 2,823 gifts that had been dropped off at various locations. Along with another 139 gifts that had been donated. The sleighs made a total of 744 stops throughout the evening. With the last sleigh arriving back at the Civic Center at approximately 9:50 pm.

Thank you to **CONNIE NAGY** and her daughter **KELLY** (In from NC) for all the hard work and preparation they put into making this event a success. And to **AL GRZESCHIK, GENE COLE, FRIESS WELDING** for making sure that the sleighs were ready to travel. **ESTHER COLE, JUANITA** and the many others who helped keep the Civic Center open on Friday December 23rd so that people could come in and do their routing and have lights and speakers put on their vehicles.

And to all the volunteers who helped with wrapping and sorting gifts. **VICKI KEPNES** and her crew who provided food Christmas Eve to everyone.

Again we are a very privileged group to have so many dedicated people willing to give up their Christmas Eve to put smiles on children's faces and laughter in their parents' voices. Not to mention the memories they will cherish for a lifetime.
