UPCOMING LEVY RENEWALS IN YOUR AREA

INSIDE THIS ISSUE:

Levy / Guest Speakers	1
Project Eliminate	1
Up Coming Events	2
Birthdays, Anniversaries Club & Personal	3
Dates to Remember	3

This coming May 5th, 2015 Coventry and Manchester Local School Districts as well as the Coventry Fire & EMS Department will have several Renewal Levy's up for vote.

Are any of us 100% sure of how these levy's affect us personally or how they will affect our Schools and Fire/ EMS Departments.

Well before the actual voting process begins on May 5th, 2015 in an effort to keep our members and the community as a whole updated and informed - our Guest Speaker Committee has invited 3 distinguished gentlemen to attend the meeting and review these issues.

Portage Lakes Kiwanis would like to extend this invitation to all members, their wives or husbands, neighbors, relatives and the general public as a whole to join us:

Wednesday: April 29th, 2015
Time: 6:30pm
Location: Kiwanis Civic Center

For dinner, fellowship and a some information about the upcoming levy renewals.

If you are planning to attend for dinner please contact: Vicki Kepnes or the Civic Center @ 330-644-8967 so that she may plan appropriately for dinner.

Our sincere hope is that anyone who attends will listen with an open mind and ask questions if there is something you are unsure of.

And that you will be provided with all the necessary information you need before going and casting your ballot at the poles in May.

Our Guest Speakers for the evening will be:

Coventry Local Schools Superintendent:
Mr. Russell Chaboudy

Manchester Local Schools Superintendent:
Dr. James Robinson

Coventry Fire & Ems Chief:
Chief John Dolensky

We would like to **Thank** our Guest Speakers and all who attend in advance for taking this time to learn more about their community in order to make the best judgement when voting.

Special points of interest:

- AREA LEVY'S
- UPCOMING EVENTS
- GUEST SPEAKERS / FIELD TRIPS

This is a project near and dear to many hearts. Kiwanis International took on the responsibility along with Unicef to provide Neo Natal Tetnus Shots to mothers in third world countries.

This series of 3 shot will protect one mother and her unborn children for a life time. And it only takes \$ 1.60 to provide these shots.

Kiwanis International has enlisted the help of Kiwanis Clubs all over the world.

Our own Vicki Kepnes collaborated with the Coral Gables, FL Kiwanis Club and decided to start the baby bottle **Fundraiser Project** for eliminate. At the time the goal of \$ 1,000 was set and we can proudly

Project Eliminate

say that Vicki and the other club members have met that challenge.

Is the " Baby Bottle Project " stopping at this point? Oh no we are continuing with the project and also trying to enlist the help of other non members in the community. How you ask? We are asking several of the area retailers to place baby bottles (large ones) on the counters in their establishments, you would be surprised how those pennies, quarters, nickels and dimes add up. When you go to drop that change in the bottom of your purse or in your pocket - Just think " These little bits of change might just change someone's life Then reach over a little instead of down and drop that change in the baby bottle.

Project II:

In addition to the Baby Bottle Project we are also holding the

" First Annual Car Show "
Date: June 13th, 2015
Donation: \$ 10.00

Time: 10:00 am - 2:00pm
Location: Kiwanis Civic Center

There will also be gift bags from Summit Racing Equipment, Baskets Ruffled off, 50/50 + a concession stand.

(All proceeds will be donated to Project Eliminate)

Take a step with a baby bottle and or attend / participate in the car show.

(see flyer attached.

You just never know who's life you might change by doing this.
