NEWS IN OUR KIWANIS FAMILY

Please continue to keep in Prayer: **BABETTE BIBEY-SIAS's** daughter Bambi; **JULIE GRZESCHIK's** daughter Lisa; our caterer **Sandy Warner**.

Our sincerest sympathy is extended to the family of **LAUREN M. BROWN, M.D.**, long-time member and past president of Portage Lakes Kiwanis and Naples of the Gulf Kiwanis where he lived after his retirement in 1989.

HAPPY DOLLARS

CINDY WEAVER was happy that her husband's biopsy results were negative after benign polyps were removed from his vocal cords.

GLEN SHEETS was happy to have Sandy back and well again. Swiss steak dinner was delicious!

BABETTE BIBEY-SIAS was happy to report that daughter Bambi, 22, was home from hospital, but upper chambers of brain are talking back and forth together, which is not good.

LARRY HUNTER had 2 happy dollars: #1 They caught and he cleaned a record 63 bluegills from Monday night's fishing, so they only need 223 more fish before Fish Fry; #2 Purple Martins report: 448 babies so far this year with 12 more eggs yet to hatch.

PHIL PINNOW thanked **LARRY YOTHERS** for the picture of his house taken from satellite that he got from internet.

TIM PETERSON was happy that although there's no such thing as a free lunch, he did get a free breakfast thanks to **DR. TIM HUSSER** when they went to Ohio District Kiwanis Leadership Training last Sat. The training was tremendous and all 4 PLK members who attended looked sharp in their look-alike PLK shirts!

BETTY SCHADL had a happy dollar that her best friend in Michigan was unhurt when her apartment burned down because she **didn't** take her sleeping pill that night so she was able to wake up at 3 AM and get out safely.

SUE HARDING had 2: #1 granddaughter Maggie has reached another milestone—she now can climb into and out of the playpen and bed at will; #2 daughter and grandkids arrived safely from Wichita; then she shared 2 **JOE KLOPE** stories about a new element called Governmentium (Gv), and Butch the Rooster.
